

DEFEND THE ORPHAN MONTH

Talking Points

CORELUV'S VISION

Today, we would like to introduce you to Coreluv International, an organization whose vision is to bring the LUV of Jesus to orphans around the world. They work in impoverished areas to provide an orphan's six basic needs — clean water, proper food, healthcare, education, job skills, and a Christ-centered loving home.

NOT A SUGGESTION BUT A MANDATE

Isaiah 1:17 says, “Learn to do good. Seek justice. Help the oppressed. Defend the orphan. Fight for the rights of widows.” We are partnering with Coreluv today, along with many other churches, as part of Defend the Orphan Month to raise awareness of the global orphan crisis.

CRISIS

There are currently more than 150 million orphans in the world today. Only 250,000 will be adopted each year. The sad truth is that 99% of all orphans will likely never be adopted.

HOW CAN SOMEONE HELP?

Become a Defender—a sustaining monthly partner with Coreluv to fulfill the Isaiah 1:17 mandate. As little as \$1 a day can make an impact in the lives of orphans around the world. Use what is in your hand to Defend the Orphan. Everyone can do something to bring change and awareness to the orphan crisis.
